Dear Physics and/or Astronomy Chair,

I hope your semester or quarter is going well. I am writing on behalf of AAPT to solicit nominations or applications for an Acting Chief Academic Officer. The position will be for one year renewable; past the two years as Acting, the successful candidate may be invited to remain on the AAPT staff either in the permanent position of CAO if it becomes open or in another senior position. The position's responsibilities and requisite qualifications are attached, and are also available at

http://www.aapt.org/aboutaapt/updates/2007-Announcements_July_Aug_Sept.cfm#JO

You may know that AAPT is a 76-year-old member society dedicated to the advancement of physics teaching across the educational continuum. We are moving into a new phase of growth and development; the ACAO will play a significant leadership role in helping to shape the next AAPT and its academic programming in support of the physics education community.

Please share this note and the announcement. I thank you in advance.

Sincerely,

Toufic Hakim, Ph.D.
Executive Officer
American Association of Physics Teachers
One Physics Ellipse, College Park, MD 20740-3845
