Subject: Announcement of opening for AAPT Chief Academic Officer
Date: October 8, 2007 3:15:05 PM EDT
To: griff@physics.wm.edu
Reply-To: fed@aps.org

The following message is from Dr. Toufic Hakim, Executive Officer of the AAPT. This announcement has been approved by the leadership of the APS Forum on Education.

Dear Member of the APS Forum on Education,

I hope your semester or quarter is going well.

I am writing on behalf of AAPT to solicit nominations or applications for an Acting Chief Academic Officer (ACAO). The position will be for one year renewable; past the two years as Acting, the successful candidate may be invited to remain on the AAPT staff either in the permanent position of Chief Academic Officer if it becomes open or in another senior position. The position's responsibilities and requisite qualifications are attached and can be found through the following URL:

http://www.aapt.org/aboutaapt/updates/2007-Announcements_July_Aug_Sept.cfm#JO

You may know that AAPT is a 76-year-old member society dedicated to the advancement of physics teaching across the educational continuum. We are moving into a new phase of growth and development; the ACAO will play a significant leadership role in helping to shape the next AAPT and its academic programming in support of the physics education community.

Please share this note and the announcement. I thank you in advance.

Sincerely,

Toufic Hakim, Ph.D.
Executive Officer

American Association of Physics Teachers One Physics Ellipse, College Park, MD 20740-3845 thakim@aapt.org <<mailto:thakim@aapt.org>>, 301.209.3311
