Subject: Postdoctoral and Senior Research Awards

Dear Department Head:

As you know, the National Research Council of the National Academies sponsors a number of awards for postdoctoral and senior researchers at federal laboratories. These awards provide generous stipends (\$41,000 - \$70,000 per year for recent Ph.D. recipients and higher for additional experience), and the opportunity to do independent research in some of the best-equipped and staffed laboratories in the country.

We ask your assistance in informing doctoral students and faculty in your department of these opportunities by copying this message to each one.

Detailed program information, including instructions on how to apply online, and a list of participating laboratories, is available on the NRC Research Associateship Programs Web site at:

www.nationalacademies.org/rap

Questions should be directed to the NRC at 202-334-2760 (tel.) or rap@nas.edu.

There are four review cycles annually. Upcoming deadlines for submitting applications are:

November 1, 2007
February 1, 2008
May 1, 2008
August 1, 2008

Applicants should begin a dialog with prospective Advisers at the lab as early as possible, before their anticipated application deadline.

Thank you for your assistance.

Sincerely yours,
H. Ray Gamble
