### Physical Science and Robotics Teacher (Vacancy Announcement)

A private, college-preparatory school in South Carolina is seeking a science teacher to commence work in August 2008.

The teaching duties are quite interesting! The primary responsibility is to teach Physical Science in Grade 8. In conjunction with this class, the teacher will also instruct Robotics classes for Grades 6 & 8. The Robotics class serves as a hands-on, problem-solving extension of the Physical Science class.

The successful candidate will be expected to participate in the full life of the school by coaching athletic teams or supervising extracurricular activities.

Location: Greenville/Spartanburg area of South Carolina.

Work Begins: August 2008

Compensation: Competitive with local public schools.

Requirements: Bachelor's degree in physics, chemistry, or a related field. Excellent communication and leadership skills. Strong academic record. Teacher certification not required. Enthusiasm for working with middle-school students is essential!

Application process: Interested candidates should apply to Southern Teachers Agency. The process consists of completing an STA application ([available online](#)), sending a credentials file, and having a telephone interview.

STA is the oldest teacher placement service in America.  
STA connects teachers to positions in private/independent schools in the South.  
STA is a third-party recruiter. All services of STA are paid for by the schools.  
Teacher candidates have no financial obligations to STA whatsoever.
