(Vacancy Announcement)

Southern Teachers Agency, the oldest educational placement service in America, receives job listings from hundreds of PK-12 private schools around the South, **many of which do not require teacher certification.**

Two private, college-preparatory schools in Maryland are seeking high school physics teachers to commence work in August 2009.

The successful candidate will be expected to participate in the full life of the school by coaching athletic teams or supervising extracurricular activities.

Locations: Baltimore County & Eastern Shore, MD

Work Begins: August 2009

Requirements: Bachelor's degree in Physics. Excellent communication and leadership skills. Strong academic record. Teacher certification not required.

Application process: Interested candidates should apply to Southern Teachers Agency. The process consists of completing an STA application ([available online](#)), sending a credentials file, and having a telephone interview.

STA is the oldest teacher placement service in America.
STA connects teachers to positions in private/independent schools in the South.
STA is a third-party recruiter. All services of STA are paid for by the schools.
Teacher candidates have no financial obligations to STA whatsoever.
