Physics & Math Teacher (Vacancy Announcement)

A private, college-preparatory school in Virginia is seeking a physics and math teacher to commence work in August 2008.

The successful candidate will be expected to participate in the full life of the school by coaching athletic teams or supervising extracurricular activities.

Location: Northern Virginia, about 50 miles west of Washington, DC

Work Begins: August 2008

Requirements: Bachelor's degree in physics, math, or a related field. Excellent communication and leadership skills. Strong academic record. Teacher certification not required.

Application process: Interested candidates should apply to Southern Teachers Agency. The process consists of completing an STA application ([available online](#)), sending a credentials file, and having a telephone interview.

STA is the oldest teacher placement service in America.

STA connects teachers to positions in private/independent schools in the South.

STA is a third-party recruiter. All services of STA are paid for by the schools.

Teacher candidates have no financial obligations to STA whatsoever.
