Wei Jiang

Please forward this notice and application form for your undergraduate students and to appropriate faculty regarding the 2008 REU program in Physics at University of Idaho.

The program is funded by the NSF Research Experience for Undergraduates program to support seven physics and engineering students to participate in current research at the Department of Physics. The stipend is \$4500 with on campus housing and travel expense.

Additional application forms and further details about the program are available on-line at <http://www.phys.uidaho.edu> by clicking on the "Research Experiences for Undergraduates" link. The March 31th is the deadline. Please encourage female and minority students to apply.

Thank you very much for your help.
