### Science Teacher (Vacancy Announcement)

A private, college-preparatory school in Virginia is seeking a science teacher to commence work immediately (August/September 2008).

The teaching duties are primarily Physics & Physical Science.

The successful candidate will be expected to participate in the full life of the school by coaching athletic teams or supervising extracurricular activities.

Location: Small town in Southeastern Virginia

Work Begins: August 2008

Requirements: Bachelor's degree with at least a minor in physics. Excellent communication and leadership skills. Strong academic record. Teacher certification not required.

Application process: Interested candidates should apply to Southern Teachers Agency. The process consists of completing an STA application ([available online](#)), sending a credentials file, and having a telephone interview.

---

STA is the oldest teacher placement service in America.  
STA connects teachers to positions in private/independent schools in the South.  
STA is a third-party recruiter. All services of STA are paid for by the schools.  
Teacher candidates have no financial obligations to STA whatsoever.
