

VIRGINIA MICROELECTRONICS CONSORTIUM (VMEC)

2008 SCHOLARS PROGRAM

- Virginia's best summer research program in microelectronics
- May - August, 2008
- VMEC has rapidly growing research and education opportunities in the field of microelectronics.
- If you are currently a junior or senior in a 4-year degree program at a university in Virginia, you are eligible to join us for a summer program that will give you a hands-on, state-of-the-art research experience.
- The VMEC internship provides excellent technical knowledge as well as industrial and academic contacts for your career development.

Benefits

- Financial Benefits
- \$650 stipend per week for 12 or 13 weeks
- Academic Benefits
- Research experience
- Guidance of mentor
- Hands on experience
- Internship Requirements
- Must attend beginning of summer kick-off meeting and give introductory oral report
- Must work 12 or 13 weeks on project at location other than home school
- Must attend the early fall scholar presentation meeting and give an oral report or poster.

Application Process

- The VMEC Application process is all electronic.
- Email to gmatkins@vcu.edu requesting the VMEC Scholar electronic application.
- Email all application materials to gmatkins@vcu.edu (pdf or Word format)
- (email references directly to gmatkins@vcu.edu from senders original email address)

Application Information

- <http://people.virginia.edu/~lrh8t/vmec.htm>
- Application Deadline: Applications will be accepted immediately and thru Feb 11, 2008.
- Strong preference is given to candidates with a 3.0 GPA or better.
- Letter of recommendation required (from a technical mentor or professor is preferred).
- Students should review the available project descriptions for each host VMEC location to select their preferred locations.
- Final Decision: All candidates will be notified of final decisions by March 31st, 2008
