

Astronomy Announcements

The first hour exam is Friday (Sept 29) during class.

- 20 multiple choice questions and 8 short answer questions.
- The test covers Chapter 1-6. There will be a formula sheet.
- Bring a pencil, eraser and calculator.
- No computers, phones, wireless devices or pre-programmed equations will be allowed.
- Since there are classes before and after our class, please be on time. I will have to call for all papers at 9:50 to make room the class that follows our class.
